Mission of The Woodlands G.R.E.E.N. Student Ambassador Program: To provide high school students with volunteer opportunities and recognition for their work on environmental stewardship and community education projects with The Woodlands G.R.E.E.N. and the Environmental Services Department of The Woodlands Township.

TWG Background Information: The Woodlands G.R.E.E.N. was founded in 1989 as “The Woodlands Recycles” and has grown into an active grassroots organization focused not only on recycling but also on environmental education through programs that involve the public in resource conservation, solid waste reduction, and the safe and sensible care of our natural resources. TWG is an ongoing partner with the Environmental Services Department of The Woodlands Township as a sponsor of many programs, including the “Walk in the Woods” and “Going Green” lectures, Woodlands Landscaping Solutions, the 3R Bazaar, Adopt-A-Path, the Earth Day GreenUp, and many other activities. For more information, please visit www.thewoodlandsgreen.org or our Facebook page, The Woodlands G.R.E.E.N.

How to Participate: There are many ways to be involved as a TWG Student Ambassador. These include helping out at the events listed above, working on outreach and publicity, helping to develop new TWG programs and resources, and other special projects. Student Ambassadors keep a log of their TWG activities throughout the year and receive recognition for their contributions to TWG and the wider community. In order to remain an active member of the program, Student Ambassadors must participate in at least 2 events per semester. Student Ambassadors who volunteer with TWG for 20 hours or more in a single year qualify for special recognition as members of the Student Ambassador Leadership Corps.
